

WORK TEAM PRICING

We have a flat rate work team fee of \$650 per person per week (this does not include your airfare). This rate covers your food, lodging, transportation, and building supplies. Would you like to join us in furthering the work of the ministry and assisting the local community at the same time? Pay \$650 for your work week, or pay \$800 and hire a Mexican worker too! Please make a note when you mail in your payment that you are paying \$800 and would like a Mexican worker to be hired for the week. Or, just hire a Mexican worker any time of the year to help keep the project moving forward for \$150. Just make a note when you mail in your check.

Children 12 and under are \$300 and must be accompanied by a parent for this reduced rate.

Please try your very best to have your group fees sent in 60 days in advance as we require time for purchasing and importing the building materials.

Border requirements: Passports are mandatory as of June 1, 2009. Passports are not mandatory for youth under 16, please have your government issued ID and your birth certificate. Enhanced driver's licenses are accepted.

Mercy Day Funds: Your mercy day funds of \$2500.00 are needed to participate in this powerful day. If you can bring more than that, praise God as we have gone out on faith and are now feeding 350 families instead of 250! Please make every effort to send your Mercy Day funds in advance. Even when two groups join together as one, each still bring their own mercy funds, as your money keeps on giving long after you have returned home. Ask us for examples, we're happy to share!!

May God richly bless your giving!!!
